THE WORLD FIELD ARCHERY CHAMPIONSHIPS 2020 IS POSTPONED

Because of the stringent regulations that have been laid down by almost every country in the world to try and combat the spread the COVOD-19 virus, the IFAA Executive and the tournament organisers had to make the decision to postpone the WFAC2020 to a later date.

THE WFAC 2020 WILL NOW BE HOSTED IN ESTONIA FROM 23-31 JULY 2021. THE SAME VENUE WILL BE USED.

The following message is posted on the WFAC 2020 website:

“Dear Archers,

*As an IFAA-accredited global tournament host, the FAAE considers it necessary to give notice of changes as soon as possible. This situation in the World is unusual for all of us and regardless of the decision made; it cannot be 100% suitable for everyone. The only reasonable decision is to postpone the tournament (WFAC2020) to the 2021, the dates of **July 23rd to July 31st**.*

If a registered participant wishes to withdraw from the tournament altogether, we can refund 30% of the fees paid until Jun 30, 2020.

Registered archers who wish to participate in the tournament in 2021 do not need to take any action, their participation fee will be retained and carried forward to the next year..

On behalf of the Tournament Organizers we thank you for your patience and understanding!’

We realise that the date of the WFAC2020 is very close to the date of the EBHC2020.

There is little that can be done about that as the ranges have been booked and the venue will be required for other activities.

Unfortunately you will have to make a choice if you cannot attend both tournaments.
